EXPERIENCE THE POWER OF THE FATHER'S LOVE!

We are in the season when the Father is revealing His love to His people as they realize their true identity as sons and daughters. This enables us to demonstrate both His love and power to our communities for the purpose of transformation.

The family of God must understand its place and purpose in history as culture-changers and overcomers. Through the ministry of our guests Dan Mohler, Gordon Robertson, worship leader Jeremiah Grube, and myself, you will receive both revelation and impartation of the Father's love as well as be activated in the gifts of healings and miracles for evangelism.

We invite you to be with us as we celebrate 23 years in ministry! Be a part of this exciting weekend of explosive worship, life-changing teaching and supernatural ministry. It is our prayer that you will be equipped to release God's power through His love flowing through you!
